JERSEY CUSTOMS SEIZE I-D MAG

A PHOTOGRAPH THAT CONTRAVENES JERSEY'S GUIDELINES FOR LEGALLY OBSCENE MATERIAL HAS RESULTED IN COPIES OF THE MAY ISSUE OF YOUTH-AND-FASHION MAGAZINE I-D BEING IMPOUNDED BY CUSTOMS OFFICIALS.

THE B&W PICTURE, A DOUBLE SELF PORTRAIT OF LOS ANGELES FASHION DESIGNER RICK OWENS, SHOWS A STANDING MALE APPEARING TO URINATE INTO THE MOUTH OF A KNEELING MALE. ACCORDING TO A REPORT IN THE JERSEY EVENING POST, THE PICTURE IS BELIEVED TO BE A SIMULATION, WITH THE LIQUID BEING WATER THAT EMANATES FROM A HOSE PIPE RUNNING UP THE DESIGNER'S TROUSER LEG. NEVERTHELESS, SENIOR CUSTOMS OFFICER IAN LE BRETON TOLD THE PAPER THAT THE PICTURE CLEARLY PORTREYS AN INDECENT ACT: "PEOPLE WHO HAVE THE COPY SHOULD HAND IT IN, OR DESTROY OR OBLITERATE THE IMAGE ON PAGES 72 AND 73," HE WARNED.

A CUSTOMS SPOKESPERSON TOLD BJP THAT ALTHOUGH THE RULES IN THE UK CONCERNING PHOTOGRAPHS OF SEX HAD BEEN LOOSENED, JERSEY COMES UNDER A DIFFERENT JURISDICTION. "ANYTHING THAT PORTREYS CLEAR SEXUAL ACTIVITY IS BANNED FROM IMPORTATION ONTO ISLAND," HE EXPLAINED, "AND URINATION WOULD FALL WITHIN THOSE GUIDELINES."

what do you revolt against and why

Systematic exploitation of
Native land for the purpose
of polluting the environment

Myself

gender bc it's stupid

Bruh photorealism. people
are imperfect and art should
be too

School systems because
them shits fucked
everywhere

The unneeded pressure to find love
at a young age. It's not only
detrimental but degrades real love

The norm, because
fuck that

Career expectations.
Yeah I like
science...fuck no I don't
want to be a scientist.

doing the “right” thing

Against these overly romanticized
“modern” designers who aren’t
actually contributing anything new
and use cynicism and irony to make
up for their complete lack of skill
and talent. The industry is broken
as fuck and nobody talks about it
because they’re busy standing in
line for a “collab”, which is the
same fucking piece that has been
released a million times but now
with some edgy graphic and is
therefore somehow worthy of
praise and collection.

like the cynicism in fashion is
morbid and is giving everyone an
excuse to not really contribute
anything new

its the lowest common
denominator

yes there's a lot of things wrong
with the world, but addressing that
by putting a phrase on a hoodie and
marketing it to kids as social
commentary that is attempting to
be hyperwoke about the effects of
turbocapitalism is literally the
epitome of hypocrisy
